

Play Youth Rugby This Summer

Come play the fastest growing sport in Morris County! Over 700 boys and girls age 5 – 14 years have joined an American Flag Rugby team in Denville, Montville, Parsippany, Long Valley, Byram Township, Randolph or Mine Hill- Dover.

American Flag Rugby is a coed, non-contact form of rugby using flags. Skills including running, kicking, passing, space strategy, teamwork, and self-confidence will be developed. The program is run as a clinic, with two evening practices and Saturday morning games scheduled against neighboring towns. We know its summer, so we keep things low key - the commitment level is entirely up to you. The program is intended for children entering first through ninth grade.

New for 2005, there will be also be an introduction to tackle rugby program run alongside the flag program for those children in middle school who are interested in learning the full contact rugby game. An additional practice will be held each week for this tackle program and games will be scheduled on Sundays. Best of all, there is no additional fee to participate in this program.

An application and additional information on youth rugby can be obtained for each town on the Morris Rugby youth page at www.morrisrugby.com.
